

# The Kllassens to Mexico

*Planting the Gospel Among the Mennonite People*

January - February 2009

Dear Praying Friends,

Whether our circumstances are good or bad, it is good to know that God works through them for our good. Our circumstances have been varied in the last two months. We need the troublesome ones, but enjoy reporting on the positive ones so much more. (Romans 5:2-5)

Our little Emily has brought new challenges to our travels. She is a real "Joy" but I find that much more of my time is tied up in helping Cindy care for the children. This makes it more difficult to concentrate on the work I need to be doing. Please pray that God would give more grace to be patient as our lives settle into more of a routine.

We have enjoyed meeting folks and reporting on our work in Montana and Wyoming in January and February. The unusually warm and dry conditions were a pleasant surprise. It felt like springtime to me, as January is always our coldest month in Manitoba. We appreciate the Lord giving us good traveling conditions in the west even though our home area had some severe weather. We finished off February in our home Missions Conference. I was challenged anew and was very blessed to be there. While at home I had a Jehovah's Witness come to my door. This was the first time I have ever encountered one even though there are many in our area. It was interesting to talk to him, but he was eager to leave when we started discussing the deity of Christ from John chapter one.

Your prayers on our behalf are being answered. I am thrilled to report that our support level is coming up. We are now at 68% of our needed support and some have expressed interest in partnering with us in the future. Please continue to pray for this need. God is able to meet the needs of His churches whether the economy is vibrant or slow. One church we visited had a larger increase in their annual missions giving than they had experienced for some years already, despite financial setbacks in this last year. Praise God!

I have meetings scheduled up until October of this year but still have some time slots to fill. Please pray that God would provide open doors for us to share about our work. Our schedule calls for much travel over the next two months. Please pray for health for my family. Your prayers and encouraging words mean so much.

May the Lord bless each of you.

Sincerely in Christ,

Will Klassen
