

# The Klassens to Mexico

*Planting the Gospel Among the Mennonite People*

July - August 2008

Dear Praying Friends,

Thank you for praying for us these last two months. God has worked in some unique ways. We are all in good health, and are thankful that God has provided many opportunities to share our burden. We have spent the majority of our time in the "big sky country" of Montana, with meetings also in North Dakota, British Columbia and Wyoming. We look forward to spending some time at home before heading east.

In July we enjoyed our home church Canada day celebration. We spent some time with family while in Manitoba and took the opportunity to visit the Mennonite Heritage Village in Steinbach. I have known the Mennonite history because of my background, but it was very educational for our girls as I could help them better understand why the Mennonites in Mexico live as they do. I was thrilled to be involved in VBS ministries of two different churches in July and August. What a blessing to see the Lord work.

While traveling to Montana from British Columbia, we had to wait in line at the border for three hours. It could have been a very frustrating experience, but thankfully we were not in a hurry. I wondered why the Lord would have us wait. Late that evening, after my family was sleeping I left to get some groceries. Stopping at a gas station for some directions, a man approached me for some money. He was two dollars short and needed something for his family. I gave him some money for which he was very thankful because the store was closing in a few minutes. He said he would pay me back in the next life. This was an opportunity to give him my testimony of where I had assurance of spending the next life. I was able to give him a tract for which he was very excited. He gave me a hug and said he would share it with his family also. This reminded me that our steps are ordered by the Lord. The day's events worked out for perfect timing for me to meet that man.

The Lord has given us more churches to partner with us. Our support level is now at 50%. Please pray for upcoming meetings in eastern Canada and the U.S. Please continue to pray also for health, especially for Cindy as she is in her last term of pregnancy. We appreciate you all so much, and we pray that the Lord will bless you as you continue to serve Him.

Sincerely in Christ,

Will Klassen
