

# The Kllassens to Mexico

*Planting the Gospel Among the Mennonite People*

March-April 2009

Dear Praying Friends,

Thank you for praying for safety while we travel. The weather can play a big role in presenting our ministry. We traveled extensively from northern Ontario down to Texas and New Mexico and then up to Wyoming and South Dakota. Driving has been challenging in the north and the south. Snow packed roads in Texas was a surprise!

Circumstances and snow storms have required us to cancel some meetings and to reschedule others. We praise the Lord, however, that we have had many opportunities to present our work and the gospel in the areas that we have been.

While in Ontario I had the privilege of attending a Missions Conference with my pastor. I was also able to help in a renovation project in another church. It was great to see God blessing in the different churches we visited.

We all have made more new friends lately. We enjoyed the fellowship with those we have spent time with. I have had opportunities to go visiting with different church members. That has been a blessing. I have also enjoyed the leisure times very much. Thank you all for your friendship and the effort made to be so hospitable during our time with you.

Our support level continues to climb, for which we are very thankful. We are receiving 75% of our needed support. Several churches have indicated interest in partnering with us in reaching the Mennonites. Please pray that God would raise our full support quickly.

Beginning in May we travel to the east. We ask that you pray for open doors and hearts to be burdened wherever we minister. We seek to be faithful wherever we are. "Therefore they that were scattered abroad went every where preaching the word." –Acts 8:4

Thank you so much for your partnership. May the Lord bless you richly.

In Christ,

Will Klassen
