

# The Kllassens to Mexico

*Planting the Gospel Among the Mennonite People*

May-June 2009

Dear Praying Friends,

We trust you are taking some time to enjoy the Lord's blessings this time of year. I have personally enjoyed summer very much; God is good. Spring and early summer were extremely busy for us. It has been a nice reprieve to spend some time this month at home visiting our church and family. We have been doing some things that the kids have enjoyed. Our two oldest girls worked hard to complete their grades early and are taking a summer break.

Our meetings the last months were a blessing. We made new friends and visited some of our old ones. It is great to be able to pray for others and have others pray for us in areas all over Canada and the States. We feel that the Lord burdened the hearts of people afresh for the Mennonites these last meetings. We visited churches in Pennsylvania, Maryland and Iowa. What a privilege to be able to convey our burden.

As the Lord has called us, He is also equipping us. We are very grateful to those who have recently added us to their missionary families. We are now receiving 93% of our goal of monthly support. Thank you so much for your prayers. I see that the field is ripe that God has called us to, and He has prepared us to this end. Having discussed these things with our pastor, we have made plans to move to Mexico in November after we finish up the meetings we now have scheduled. The prospect of beginning the work there is exciting. We are praying that God will keep us before the hearts and minds of the churches we have visited. Please pray with us that everything will come together before we move.

We continue to stay in contact with friends in Mexico. We are excited to be able to spend some time there in August. Brother Bill Wall is leaving for some time and I will be preaching to the Mennonites in his absence. We desire that God will endear us to the people. We're looking to secure some housing while we are there and will need the Lord's wisdom in this. Our house is now on the market and we are praying that it sells in good time that we might purchase in Mexico before we move.

Thank you for your partnership and friendship. We are praying for you as well. We thank the Lord for you and trust that you continue to serve Him faithfully.

In Christ,

Will Klassen
