Dear Praying Friends,

My family and I would like to take this opportunity to thank you for all your encouragement and prayers on our behalf as we have begun our prefield ministry. We spent the past couple of months presenting our work in Ontario, and thoroughly enjoyed the churches we were privileged to visit. We have been encouraged by the work God is doing in Ontario, as well as by the interest that has been shown in the Mennonites of Mexico. God has provided for us in giving us good health, traveling mercies and taking care of our financial needs. Several ministries have agreed to partner with us financially; we currently have about 15 per cent of our needed monthly support promised.

One of the blessings we have experienced in our travels thus far has been to see God work in the lives of others. While passing through Dryden, Ontario, we had the privilege of sharing the Gospel with a young man who in turn decided to accept Christ as his Savior. He expressed interest in learning more about the Christian life. Please pray that God will lead him to a sound, Bible-preaching church.

God has been good to us in blessing us with more opportunities to present our field in the coming months. We have enjoyed visiting several ministries in close proximity to our home, which has enabled us to remain in the local area for a time. Please pray for more opportunities to present our work in the future. We have a busy summer planned, which will include BMFP's week-long Candidate Training in Jacksonville, Florida for the middle of June. In the months following, we will be traveling to Saskatchewan, Alberta, and the Northwest Territories. We will need God's traveling mercy in both endeavors.

Thank you once again for holding us up in prayer. May the Lord bless you.

Sincerely in Christ,

Will Klassen
