

# The Klassens to Mexico

*Planting the Gospel Among the Mennonite People*

June - July, 2007

Dear Praying Friends,

The end of July finds us in Alberta, Canada. In the past two months we have been privileged to present our work in North Dakota, USA, and in Saskatchewan and Manitoba. It has been great to meet so many new friends in the churches we have visited, as well as at our candidate training in Jacksonville.

The candidate training went well and we are pleased to be a part of the BMFP family. The training sessions were superb and certainly challenged us. It was encouraging to meet the other missionaries. Many have been surprised to hear that there are white German-speaking Mennonites in Mexico. Some missionaries serving in Mexico and other South American countries are aware of the Mennonites, but are limited in their ability to reach them due to language and cultural barriers.

Mennonites are one of the “pocket people” groups that are many times forgotten or unknown. God wants to see these people saved. Many of you have expressed a burden, and we trust you are praying that God will draw them to a position of repentance and faith.

A highlight in our personal life this summer has been to enjoy some family time. Cindy is going to be a part of her sister’s wedding in November, and is enjoying preparing with her family. Fellowship with our church family has also been a blessing. I was able to attend our church men’s retreat, where I committed myself anew to a deeper walk with God.

We praise the Lord for His faithfulness as He has taken good care of us. We have had some more churches commit to teaming up with us in reaching the Mennonites. A special thank you to all who have helped us in different ways – prayers, words of encouragement, financial gifts, and the homes that have been opened to us. It is so good to know God accomplishes missions through a team effort to His glory. To Him be the glory.

Regarding a target date for arriving on the field, we ask that you pray for January of 2009. We believe this is a realistic goal, as God has been burdening people’s hearts already, and we trust will continue to do so as we faithfully present the need. We thank God that we are currently at nearly 20% of our needed support. May God bless you for your faithfulness.

Sincerely in Christ,

Will Klassen
